## Cortec® Closed Loop Toad® Featured in May/June Issue of Industrial Waterworld Magazine!

### Corrosion protection

Cortec®'s Closed Loop Toad® is an environmentally friendly, easy to apply, unique combination of Vapor phase Corrosion Inhibiting

(VpCI®) powders and antiscalants packaged in polyvinyl-alcohol (PVA) water-soluble bags. The product was developed by Cortec® Laboratories to provide multimetal corrosion protection in recirculating and operat-

ing cooling systems, using VpCI® technology, an alternative to traditional corrosion inhibitor formulations.
