

NEWS ALERT

Cortec[®] MCI[®] Wall Defense Featured in June Issue of Industrial Equipment News Magazine!

Anti-Graffiti Coating protects public and private spaces

Clear, silicone elastomer-based MCI Wall Defense can be applied to exterior concrete, masonry, wood, or metal surfaces. Designed to be used over various types of coated and uncoated surfaces, it enables immediate removal of graffiti with cold water pressure cleaning. Coating is permanent and does not need to be reapplied after graffiti removal. VOC compliant, coating has high UV resistance, exterior durability and gloss retention, and elastomeric properties. **Cortec Corp.:** 800-426-7832; 651-429-1100
