NEWS RELEASE

Cortec's CorrTainer™ named packaging of the year.

Cortec® Corporation's CorrTainer™ has been given the Obal Roku 2008 award by the Syba Packaging Institute for outstanding transport and handling packaging.

The Obal Roku is a prestigious national packaging competition where awards are given for exemplary packaging in the categories of: consumer packaging, consumer gift packaging, packaging materials, sales packaging and displays, transport and handling packaging, and labels, closures, fixation, and other auxiliary packaging means.

Cortec® CorrTainer™ is fully recyclable, repulpable, eliminates the need for secondary packaging, and offers cost effective, environmentally friendly, corrosion protection. This product is easy to use, with no need for desiccants and polycoated wraps.

The VpCI™ coating on the inside of the box vaporizes to saturate the metal surfaces providing complete multi-metal protection.

The Obal Roku 2008 is a prestigious national packaging award given for exemplary packaging.

Cortec® Corporation is a world leader in innovative, environmentally responsible VpCI™ and MCI® corrosion control technologies for Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries. Our relentless dedication to sustainability, quality, service, and support is unmatched in the industry. Headquartered in St. Paul, Minnesota, Cortec® manufactures over 400 products distributed worldwide. ISO 9001 & ISO 14001:2004 Certified.
