PRESS RELEASE

Cortec® Expands to Canada! Bionetix International Acquired!

Cortec® Corporation is pleased to announce the formation of Cortec® Canada. Bionetix International; headquartered in Montreal, Canada, is now a Wholly Owned Subsidiary in the business of manufacturing microbial based bio-products.

With Cortec's 30 years plus experience as a world leader in environmentally-safe materials protection technologies, The Bionetix's product range is a natural extension of the Cortec® product offering. Our integrated resources will provide our customers with unique benefits of bacterial removal, remediation, and bio-augmentation. We will continue to expand our portfolio of products and service capabilities, creating additional value for our many clients.

Additionally, with this acquisition, Cortec® is well positioned in the marketplace to continue as a technology leader. The Bionetix business unit is comprised of solid, proprietary technologies. Cortec® Canada is a logical, strategic step to foster further development of promoting "Green" solutions for every facet of industry. This alliance is a wonderful opportunity for the Cortec®/Bionetix team to focus on market needs, scientific collaborations, and providing anyone from household to manufacturing with quality bio-products.
