### PRESS RELEASE

## Cortec® Unveils New and Improved MCI® Website!

Cortec® Corporation has unveiled its new and improved Migratory Corrosion Inhibitor (MCI®) website -- [www.cortecmci.com](http://www.cortecmci.com) targeted for the construction industry. This enhanced site provides resources that help our customers save time and money for the prevention and treatment of corrosion.

The updated and added content includes: new products, product data sheets, MSDS', specifications, and reports. Also offered is detailed information regarding select Department of Transportation (DOT) approvals and U.S. Green Building Council LEED Information. Visitors can read and download published articles, papers, presentations, and technical information.
