CASE HISTORY:

Corrosion Protection System for Electrical Power Plant.

The customer required a system that did not include sand or water blasting as a surface preparation, and was looking for a corrosion protection solution that was easy to apply, cost effective, and environmentally friendly.

UPCOMING EVENTS:

**Cortec® is Pleased to Announce
Sales & Product Training
May 17th & 18th.**

**CORTEC WORLD
HEADQUARTERS
IS PLEASED
TO ANNOUNCE...**

SALES & PRODUCT TRAINING

Join us at Cortec for two full days of learning & discovery! Whether you are looking to get to know Cortec a little better or are just now being introduced, our Sales and Product Training at corporate headquarters, **Saint Paul, Minnesota** familiarizes Cortec Representatives and Distributors with our company and products. Come & meet the sales managers, laboratory personnel, customer service, and the marketing team; ask us questions & tour our facilities; and, most importantly, walk away knowing more about Cortec than ever before!

Training will begin on **Monday May 17, 2010** and will end on the afternoon of **Tuesday May 18, 2010**. Attached is registration agenda complete with descriptions for each session. Please note the options for sessions on Monday and Tuesday afternoon and the discussion over dinner Monday evening. To register, please **fax** or **e-mail** a completed form to:

Kathy Selbitschka or Karen Brasile
Fax: 651 429 1122
e-mail: kathys@corotecvci.com or kbraslie@corotecvci.com

The deadline for registration is **May 10, 2010**. For questions, please contact Kathy or Karen at the above mail addresses or by phone at: Kathy at 651-429-1100/191, Karen at 651-429-1100 ext 152. We look forward to seeing you!
